2. It could be seen that only one bidder remained in the tender process after Technical Evaluation for the item namely Intra Operative Neuro-Monitoring system. As it could be seen that this item has been tendered for the 3rd time (vide IFB NO. SMEJ/JMCH/989/Pt.VII/2017/1486 Date: 07/06/2017 proceedings minuted on 04/08/2017 and 12/09/2017 & 10/10/2017) after giving adequate publicity through the news papers and the appropriate website, and thereafter still only one number of bidder remained following Technical Evaluation process, the committee decided to accept the single bidder after obtaining an **undertaking from the Manufacturer regarding the Price quoted by the Bidder- M/S Vibgyor Traders that the quoted price in the current tender is not above the price quoted in earlier three tenders awarded elsewhere**, in Rs. 100 (rupees one hundred only) Non- Judicial stamp paper . The committee has decided to go for technical evaluation of the said item and proceed further for financial evaluation.
3. There was a confusion in the Price Bid of few items which has been tendered for more than one number in quantity; as to whether the price quoted by the bidders is for single unit of the item or for the unit total of item specified in the BOQ. After a threadbare discussion, the committee decided to seek clarifications in the form of written undertakings from the Bidders regarding the same.
4. After financial evaluation through the e-tender system as well as by the Financial Committee, the following bidders have been selected as L1 bidders. (The comparative statement is enclosed as 'Annexure-A' & 'Annexure-B').
