Resolutions:

All the committee members has gone through the appeal submitted by the bidder **M/s. Sampat Jain & Associates** on 21st Dec 2020.

After re-verification of the scoring sheet as pointed out, the committee found that the score for the work experience of **M/s. Hari Singh & Associates** (marks 20) was not shown in the specified column due to typographical error. All the members unanimously decided to add the said marks in the score sheet without bringing any change in the total score.

Committee also thoroughly examined the documents supporting the work experience of **M/s. Sampat Jain & Associates** which was initially not accepted because of ambiguity. After a threadbare discussion all the committee members has unanimously decided to allot a additional mark of 15 to **M/s. Sampat Jain & Associates** bringing their total marks to 80 hence, the weighted technical score to 56.0. (Fresh Technical evaluation score sheet enclosed as Annexure IIA).

Committee has decided to stick to its previous decision of not allotting any marks to any bidder for the relevant work experience because of the vagueness of the criteria.

The committee has suggested the authority to go for financial bid opening on 29-12-2020.

The meeting ended with the vote of Thanks from the chair.

Prof. (Dr.) R.K Talukdar,
(Chairman)
